

Early Riser

Mauro Solar Riser The president of Ultralight Flying Machines, Larry Mauro, created the Solar Riser by converting a stock UFM Easy Riser hang glider. 4+1/2 years earlier

Rory Foster of The Line of Best Fit wrote: "the album was not created lightly, and by no means deserves to be skimmed, but there's a diversity and thirst within this album that stands to keep Early Riser remembered for some time, and will no doubt lead McFerrin to achieve the same". AllMusic's Andy Kellman wrote: "while Early Riser was pieced and patched together, it flows as a gleaming focused set that combines left-field electronics, alternative R&B, and futuristic jazz". Del F. Cowie of Exclaim! wrote: "it's possible to detect elements of jazz, '70s soul, hip-hop and electronica in McFerrin's heliocentric... The story takes place in an alternate version of the United Kingdom, where the Ice Age continues and most of the human population hibernates in winter. Returning early from hibernation may cause Dead in Sleep from neural collapse, but death during hibernation may also arise from a shortage of fats, low temperature, vermin predation, carbon dioxide build-up, calcitic migration and many other complications. Some people awake with only enough vestigial memory to walk and eat, and became known as "nightwalkers".

Riser Look up riser in Wiktionary, the free dictionary. Riser may refer to: Stair riser, the vertical elements in a set of stairs Riser, another name for a

Taylor McFerrin classical conductor Bobby McFerrin. McFerrin released his debut album Early Riser (2014) on Flying Lotus's Brainfeeder Records. The album features guest

Their Winter Consul Service is responsible for the safety of dreaming people. The main protagonist, Charlie Worthing, is a novice within the service and the story begins as they prepare for their first season...
