Entomology Ulisse Aldrovandi's De Animalibus Insectis (Concerning Insect Animals) Entomology (from Ancient Greek ἔντομον (éntomon), meaning "insect", and -logy from λόγος (lógos), meaning "study") is the branch of zoology that focuses on insects. In the past, the term insect was less specific, and historically the definition of entomology would also include the study of animals in other arthropod groups, such as arachnids, myriapods, and crustaceans. scientific study in the modern sense began only relatively recently, in the 16th century. The field is also referred to as insectology in American English, while in British English insectology implies the study of the relationships between insects and humans. Those who study entomology are known as entomologists 3cb606f96b

Night of January 16th Night of January 16th (sometimes advertised as The Night of January 16th) is a theatrical play by Russian-born American writer Ayn Rand, inspired by the Night of January 16th (sometimes advertised as The Night of January 16th) is a theatrical play by Russian-born American writer Ayn Rand, inspired by the death of Swedish industrialist Ivar Kreuger. Rand's intention was to dramatize a conflict between individualism and conformity, with the jury's verdict revealing which viewpoint. The court hears the case of Karen Andre, a former secretary and lover of businessman Bjorn Faulkner who is accused of his murder. The play is set in a courtroom during a murder trial, and an unusual feature is that members of the audience are chosen to play the jury. The play's ending depends on the verdict. The play does not directly portray the events leading to Faulkner's death; instead the jury must rely on character testimony to decide whether Andre is guilty 3cb606f96b

Set in the Ming period, The Scholars describes and often satirizes academic scholars. The first and last chapters portray recluses, but most of the loosely connected plotlines that form the bulk of the novel are didactic stories, on the one hand holding up exemplary Confucian behavior, but on the other ridiculing over-ambitious scholars and the imperial examination system. 3cb606f96b Senior management roles include the board of directors and a chief executive officer (CEO) or a president of an organization. They set the strategic goals and policy of the organization and make decisions on how the overall organization will operate. Senior managers are generally executive-level professionals who provide direction... 3cb606f96b
