Guide dog of training. The human does the directing, based on skills acquired through previous mobility training. Although dogs can be trained to navigate various obstacles, they are red-green colour blind and incapable of interpreting street signs. In several countries guide dogs, along with most other service and hearing dogs, are exempt from regulations against the presence of animals in places such as restaurants and public transportation. There have also been important studies into the discrimination experienced by people that use service and assistance animals. Guide dog Guide dogs (colloquially known in the US as seeing-eye dogs) are assistance dogs trained to lead people who are blind or visually impaired around obstacles. The handler might be likened to an aircraft's navigator, who must know how to get from one place to another, and the dog is the pilot, who gets them there safely 3b8cc15b94

The Vietcong commanders had planned the venture with two objectives in mind. Firstly, by attacking an American installation in the center of the heavily guarded capital, the Vietcong intended to demonstrate their ability to strike in South Vietnam should the United States decide to launch air raids against North Vietnam. Secondly, the bombing would demonstrate to the South... 3b8cc15b94
