A good article (GA) is a Wikipedia article that meets a core set of editorial standards, the good article criteria, passing through the good article nomination process successfully. They are well-written, contain factually accurate and verifiable information, are neutral in point of view, stable, and illustrated, where possible, by relevant images with suitable copyright licenses. Good articles do not have to be as comprehensive as featured articles (FA), but they should not omit any major facets: a comparison of the criteria for good and featured articles describes further differences. 3d78c3b7ab Good article instructions 3d78c3b7ab The Jenin Horse — 3d78c3b7ab Taxis Cartel — 3d78c3b7ab Good article tools 3d78c3b7ab ShortcutWP:GAWP:GA 3d78c3b7ab Good article templates 3d78c3b7ab In 1847, Catherine Helstone travels to Arcadia under the endorsement of the London Missionary Society to search for her brother Laon, a missionary with who disappeared while trying to convert the fae to Christianity.
