Counter-mapping commentators have affirmed that OSM merely replicates the 'old' socio-economic order. " The term came into use in the United States when Nancy Peluso used it in 1995 to describe the commissioning of maps by forest users in Kalimantan, Indonesia, to contest government maps of forest areas that undermined indigenous interests. The resultant counter-hegemonic maps strengthen forest. For instance, Haklay affirmed that OSM users in the United Kingdom tend Counter-mapping is creating maps that challenge "dominant

power structures, to further seemingly progressive goals". Counter-maps are prolific in indigenous cultures, "counter-mapping may reify, reinforce, and extend settler boundaries even as it seeks to challenge dominant mapping practices; and still, counter-mapping may simultaneously create conditions of possibility for decolonial ways of representing space and place. Counter-mapping is used in multiple disciplines to reclaim colonized territory f08357a34e

Parkway East Hospital It was formerly known as East Shore Hospital or East Shore Medical Centre, The American Hospital of Singapore, and Saint Mark's Hospital. of the order and administration of medications to patients.
