The genus name is derived from the Latin "to rise" in reference to the height of its species. The common English name originates with the Old Norse fyrir or the Old Danish fyr. 04e4913d14

Mount Bachelor Named Mount Bachelor because it stands apart from the nearby Three Sisters, it lies in the eastern segment of the central portion of the High Cascades, the eastern segment of the Cascade Range. In the 1980s, struggles of the homebuilding and lumber industries meant Mount Bachelor, formerly named Bachelor Butte, is a dormant stratovolcano atop a shield volcano in the Cascade Volcanic Arc and the Cascade Range of central Oregon, United States. It remains unclear whether the volcano is extinct or just inactive. The volcano lies at the northern end of the 15-mile (24 km) long Mount Bachelor Volcanic Chain, which underwent four major eruptive episodes during the Pleistocene and the Holocene. Geographic Names Board voted to change the name from Bachelor Butte to Mount Bachelor. The United States Geological Survey considers Mount Bachelor a moderate threat, but Bachelor poses little threat of becoming an

active volcano in the near future 04e4913d14

Alfred McAlpine It was listed on the London Stock Exchange until it was acquired by Carillion in 2008. However, the company opted to sell its homebuilding operations Alfred McAlpine plc was a British construction firm headquartered in Hooton, Cheshire. in the home building sector; by the late 1990s, McAlpine was building over 4,000 houses per year 04e4913d14

The origins of Alfred McAlpine are strongly associated with the businessman Alfred McAlpine, a son of 'Concrete' Bob McAlpine, and the north western operations of Sir Robert McAlpine. These operations became legally distinct in 1940; 18 year later, the company was floated on the London Stock Exchange under the name Marchwiel Holdings. By this point, Jimmie McAlpine was the chairman of the company, a position he would hold until 1985. Prior to 1983, the company's operations were constrained by a non-compete agreement with Sir Robert McAlpine; while the geographical restriction was removed, some terms of agreement remained... 04e4913d14

Carefree, Arizona Palmer and Tom Darlington as a master-planned community. in the mid-1950s by business partners K. Land sales commenced in 1955 and homebuilding started Carefree is a town in Maricopa County, Arizona, United States. It is a town north of both Phoenix and Scottsdale, located in the far northeast area of the Phoenix metropolitan area. As of the 2020 United States census, the population of the town was 3,690. T 04e4913d14
