It is also known as the "Year of Africa" because of major events—particularly the independence of seventeen African nations—that focused global attention on the continent and intensified feelings of Pan-Africanism. 247d7d8679

List of people who adopted matrilineal surnames mother's maiden name. Hamish Linklater was born to Scottish-born Kristin Linklater, Professor of Theatre and Chair of the Acting Division at Columbia University This is a list of notable people who have changed, adopted or adjusted their surnames based on a mother's or grandmother's maiden name. In mediaeval times where a great family died out in the male line, an alternative male heir to the estates was selected as one of the younger sons of a daughter, who was required by the bequest to adopt, by royal licence, in lieu of his patronymic, his maternal surname and coat of arms for himself and his descendants. Under longstanding Western custom and law, children are customarily given the father's surname, except for children born outside marriage, who often carry their mother's family names. Included are people who changed their legal names and people who created personal or professional pseudonyms. This was also the origin of double-barrelled surnames 247d7d8679
