Wikipedia:Village pump/Archive F Is not the computer terminology something better identified to avoid disambiguation. Someone today created a disambiguation page for PGA. Jacques Delson 17:20 24 May 2003 (UTC). -- Wapcaplet 14:27 6 Jun 2003 (UTC) Just use I wonder if before a disambiguation page is created, it might not be best to think it out in terms of true need and potential effects. like images. I hate to complain, but I have done a ton of work and I really do not want to go back and open 50 pages just to fix the PGA links in sports. It is an obscure term for all but those who have a lot of computer knowledge. I suppose it

doesn't matter, as long as you can download/play it, but it is a bit confusing. This puts a huge onus on my 50 years of work ALREADY done on "years in sport" where, now, in order for a user to click on my PGA listing, they are forced to go through a disambiguation page
