== Etymology == "Mongoloid" has been described as punk rock and avant-rock. Like many of Devo's early songs, it was built on a motorik beat. The song opens with a 4/4 electric bass line, which is then joined by drums, and electric guitar. Over this, a swooping overdubbed synthesizer line featuring frequent pitch bend is played on Minimoog. The synth is not used as a lead instrument during the song, and is used only in the opening and closing. The doubled vocals are sung simultaneously by both Gerald V. Casale and Robert "Bob 1" Mothersbaugh. On the original single, the vocals are deliberately sung in a nasal fashion. The Lego City theme traces its origins to Lego Town, a theme introduced with the first minifigures in 1978, when a completely new range of buildings and vehicles were introduced for the European markets, although Lego sets with city buildings and vehicles had been commonplace since the late 1960s.

Criticism of advertising [citation needed] Public interest groups suggest that "access to the mental space targeted Advertising is a form of selling a product to a certain audience in which communication is intended to persuade an audience to purchase products, ideals or services regardless of whether they want or need them. While advertising can be seen as a way to inform the audience about a certain product or idea it also comes with a cost because the sellers have to find a way to show the seller interest in their product. Unsolicited commercial email and other forms of spam have become so prevalent that they are a major nuisance to internet users, as well as being a financial burden on internet service providers. Advertising frequently uses psychological pressure (for example, appealing to feelings of inadequacy) on the intended consumer, which may be harmful. Advertising increasingly invades public spaces, such as schools, which some critics argue is a form of child exploitation. using stickers of the "Close Window" buttons used to close pop-up ads. As a result of these criticisms, the advertising industry has seen low approval rates in surveys and negative cultural portrayals. It is not without social costs f3edf83ca2
