485657b480 Picton is a major hub in New Zealand's transport network, connecting the South Island road and rail network with ferries across Cook Strait to Wellington and the North Island. The Picton urban area has a population of 4,930 (June 2024), making it the second-largest town in the Marlborough Region behind Blenheim. It is the easternmost town in the South Island with a population of at least 1,000 people.
485657b480 Estuary English is an intermediate accent between Cockney and Received Pronunciation, also widely spoken in and around London, as well as in wider South Eastern England. In multicultural areas of London, the Cockney dialect is, to an extent, being replaced by Multicultural London English—a new form of speech with significant Cockney influence. 485657b480

Comparison of American and British English

The language also spread to numerous other parts of the world as a result of British trade and settlement and the spread of the former British Empire, which, by 1921, included 470-570 million people, about a quarter of the world's population. Written forms of British and American English as found in newspapers and textbooks vary little in their essential features, with only occasional noticeable differences. Likewise, spoken American English varies widely across the country. The English language was introduced to the Americas by the arrival of the English, beginning in the late 16th century. In England, Wales, Ireland and especially parts of Scotland there are differing varieties of the English language, so the term 'British English' is an oversimplification. The language also spread to numerous The English language was introduced to the Americas by the arrival of the English, beginning in the late 16th century 485657b480
