Each volume in the series follows a different teenage, female protagonist who must face challenges involving love, the "soulmate principle", and the Night World's strict code. In the first six novels, the plot focuses on the protagonist discovering her soulmate and the danger which ensues. In the seventh book of the series, the concept of an impending millennial apocalypse is introduced. The later books' plots focus on the search for four "Wild Powers" who, according to an ancient prophecy, will either save the world or aid in its destruction. Books from the series appeared on the New York Times Bestseller List for children's books in 2008 and 2009. f77c49ddc3
