In the 2011–12 period India's current account deficit burgeoned to 4.2% of its GDP. This was due to high prices of oil and gold, which the country imported in huge volumes. The government of India in response to this made a series of hikes in the import duty of gold. This created a lucrative ground for an upsurge in gold smuggling to the country from abroad, predominantly the Middle East. While most of the smuggled gold enters India from the UAE, it is also smuggled through the porous borders India shares... e7f6d6367d == Operating mines == e7f6d6367d

The release of New Gold Dream (81/82/83/84) was considered a turning point for the band, whose previous studio albums did not gain significant commercial success. Lead singer Jim Kerr said that "every band or artist with a history has an album that's their Holy Grail, I suppose New Gold Dream was ours", and that the recording of the album was "a special time because we were really beginning to break through with that record, both commercially and critically. The people that liked that record connected with it in a special way". e7f6d6367d

Until the 1930s, business contracts in the United States regularly included gold clauses that allowed creditors to demand payment in gold or gold equivalents. The tightening of Federal Reserve policy from 1928 onward prompted a global unwinding of credit later dubbed the Great Contraction. Waves of bank failures occurred, aggravated by reliance on single-location banks (unit banks) that could not survive a run. A final bank panic in
