Wikipedia:Language learning centre/Word list You can use the list to generate your own lists in whatever language you're learning and to test yourself. Eventually these words will all be translated into big lists in many different languages and using the words in phrase contexts as a resource. A big list will constantly show you what words you don't know and what you need to work on and is useful for testing yourself. autonomous autonomously autonomy autopilot autopsies autopsy auto repair autosuggestion auto worker autumn autumnal autumns auxiliaries auxiliary avail Drawing up a comprehensive list of words in English is important as a reference when learning a language as it will show the equivalent words you need to learn in the other language to achieve fluency ac959e3de0
