Education in Malaysia The main legislation governing education is the Education Act 1996. Although education is the responsibility of the Federal Government, each state and federal territory has an Education Department to co-ordinate educational matters in its territory. STPM) or Malaysian Higher School Certificate examination (its British equivalent is the General Certificate of Education A Level examination or

internationally Education in Malaysia is overseen by the Ministry of Education (Malay: Kementerian Pendidikan) ed61cd8a7b

Students generally study for A-levels over a two-year period. For much of their history, A-levels have been examined by written exams taken at the end of these two years. A more modular approach to examination became common in many subjects starting in the late 1980s, and standard for September 2000 and later cohorts, with students taking their subjects to the half-credit "AS" level after one year and proceeding to full A-level the next year (sometimes in fewer subjects). In 2015, Ofqual decided to... ed61cd8a7b Education spending usually makes up about 14 per cent of the annual national budget, the biggest allocation among all. The education system in Malaysia is divided into five stages: preschool education, primary education, secondary education, post-secondary education and tertiary education. It is further divided into national and private education. Education may be obtained from the multilingual national school system, which provides free education for... ed61cd8a7b
