

Sports And Recreational Activities

Recreational diving Breath-hold diving for recreation also fits into the broader scope of the term, but this article covers the commonly used meaning of scuba diving for recreational purposes, where the diver is not constrained from making a direct near-vertical ascent to the surface at any point during the dive, and risk is considered low. Recreational diving or sport diving is diving for the purpose of leisure and enjoyment, usually when using scuba equipment. The term "recreational diving" may also be used in contradistinction to "technical diving", a more demanding aspect of recreational diving which requires more training and experience to develop the competence to reliably manage more complex equipment in the more hazardous conditions associated with the disciplines

Winter sports Most are variations Winter sports or winter activities are competitive sports or non-competitive recreational activities which are played on snow or ice. Traditionally, such games were only played in cold areas during winter, but artificial snow and artificial ice allow more flexibility. Most are variations of skiing, ice skating and sledding. Winter sports or winter activities are competitive sports or non-competitive recreational activities which are played on snow or ice. Playing areas and fields consist of either snow or ice
