Born in Wakefield, Massachusetts, Coon became interested in anthropology after attending Earnest Hooton's lectures at Harvard University. He obtained his PhD in 1928 based on an ethnographic study of the Rif Berbers of Morocco. Returning to Harvard as a lecturer, he conducted further fieldwork in the Balkans, North Africa, and the Middle East. In 1948 he was appointed a professor of anthropology at the University of Pennsylvania and remained there until his retirement... The University of the Philippines was originally established by the American colonial government on June 18, 1908, through the enactment of Act No. 1870 by the First Philippine Legislature. It was envisioned as the country's premier institution for higher learning with a mandate to provide "advanced instruction in literature, philosophy, the sciences, and the arts and to give professional and technical training," regardless of "age, sex, nationality, religious belief, or political affiliation."

Journal of Technology Law & Policy The Journal of Technology Law &

Policy is a law review devoted to discussion and analysis of the legal implications of technology. Topics include, but are not limited to patents, copyrights, trademarks, trade secrets, antitrust, information privacy, and computer law. Topics include, but The Journal of Technology Law & Policy is a law review devoted to discussion and analysis of the legal implications of technology. The journal was established in 1995 and is published twice yearly by the University of Florida Levin College of Law 1adf6974dd

University and college rivalry Carleton University. These schools place an added emphasis on emerging victorious in any event that includes their rival. between Carleton, Ottawa reborn". This rivalry, which is frequently synonymous with a sports rivalry, can extend to both academics and athletics, and sometimes even politics, the middle being typically better known to the general public. While many of these rivalries have arisen spontaneously, some have been created by college officials in efforts

to sell more tickets and support their programs. This may include the creation of a special trophy or other commemoration of the event. Archived Pairs of schools, colleges and universities, especially when they are close to each other either geographically or in their areas of specialization, often establish a university or college rivalry with each other over the years.
