The word avenir is French for 'future'. As the name suggests, the family takes inspiration from the geometric style of sans-serif typeface developed in the 1920s that took the circle as a basis, such as Erbar and Futura. Frutiger intended Avenir to be a more organic interpretation of the geometric style, more even in colour and suitable for extended text, with details recalling more traditional typefaces such as the two-storey 'a' and 't' with a curl at the bottom, and letters such as the 'o' that are not exact, perfect circles but optically corrected.
