Eldredge claims that men are bored, fear risk, and fail to pay attention to their deepest desires. He challenges Christian men to return to what he characterizes as authentic masculinity. He argues that men often seek validation in venues such as work, or in the conquest of women, and he urges men to take time out and come to grips with the desires of their hearts. Eldredge frames the book around his outdoor experiences and anecdotes about his family and references elements of pop culture such as Braveheart, James Bond, Gladiator, and Indiana Jones, and lyrics from songs. 276d260ee4

Lynch intended only to produce the film, but after reading Gifford's book, he decided to write and direct it as well. He disliked the ending of the novel and decided to change it to fit his vision of the main characters. The film is noted for its allusions to The Wizard of Oz and Elvis Presley. Early test screenings for the film were poorly received... 276d260ee4
