== Main characters == 9fc69e2862 The music, like the writing in the books themselves, is morose for comic effect. Some of the

songs' lyrics have something to do with the story itself and are often implicitly written in the voice of one of the corresponding book's characters; for example, "When You Play the Violin" is apparently in the voice of one of the book's five orphans, most likely Klaus, while "Dreary, Dreary" appears to be an ode to Beatrice, Lemony Snicket's ill-fated love interest. Others' connections seem to be in name only; for example, "Shipwrecked", The End's song, is about a man who decapitates his ship's crew in an attempt to be shipwrecked on an island with his true love, only to discover that there is no island anywhere nearby. 9fc69e2862
