Concepts of decentralization have been applied to group dynamics and management science in private businesses and organizations, political science, law and public administration, technology, economics and money. 53c9da6a5e Early archaeological records show that Egyptian women were considered equal to men, regardless of marital status. They could own property, initiate divorce, and hold positions of religious and political authority, as exemplified by figures such as Hatshepsut and Cleopatra. However, their status declined over time under the successive rule of the misogynistic Roman Empire, the Christian Byzantine Empire, and later various Islamic states. While Islamic law granted women rights that were often denied in the West, such as the right to own property and greater marital autonomy, it also promoted gender segregation and restricted women's participation in public life. Nevertheless, elite women continued to wield... 53c9da6a5e
