

Business Law Today The Essentials 10th Edition

Common law is deeply rooted in stare decisis ("to stand by things decided"), where courts follow precedents established by previous decisions. When a similar case has been resolved, courts typically align their reasoning with the precedent set in that decision. However, in a "case of first impression" with no precedent or clear legislative guidance, judges are empowered to resolve the issue and establish new precedent... cb73604879

Sharia In Islamic terminology sharī'ah refers to immutable, intangible divine law; contrary to fiqh, which refers to its interpretations by Islamic scholars. God's general purpose in revealing the divine law, and that its specific aim was preservation of five essentials of human well-being: religion, life Sharia, Sharī'ah, Shari'a, or Shariah is a body of religious law that forms a part of the Islamic tradition based on scriptures of Islam, particularly the Qur'an and hadith. Sharia, or fiqh as traditionally known, has always been used alongside customary law from the very beginning in Islamic history; it has been elaborated and developed over the centuries by legal opinions issued by qualified jurists – reflecting the tendencies of different schools – and integrated and with various economic, penal and administrative laws issued by Muslim rulers; and implemented for centuries by judges in the courts until recent times, when secularism was widely cb73604879
