PageFormat were The
Construction Specifications
Institute (CSI) is a United States
national association of more
than 6,000 construction industry
professionals who are experts in
building construction and the
materials used therein. CSI first
published PageFormat in 1975.
The work of CSI is currently
focused in three areas being
standards and publications,
construction industry
professional certifications.
content of construction

specifications sections as described by SectionFormat. The institute is dedicated to improving the communication of construction information through a diversified membership base of allied professionals involved in the creation and management of the built environment, continuous development and transformation of standards and formats, education and certification of professionals to improve project delivery processes, and creation of practice tools to assist users throughout the facility life-cycle
