George Washington and slavery 290, 295 The history of George Washington and slavery reflects Washington's varied attitude toward the ownership of human beings. The preeminent Founding Father of the United States and a hereditary slaveowner, Washington became uneasy with it, but kept that opinion in private communications only, and continued the practice until his death. Washington's will immediately freed one of his slaves, and required his remaining 123 slaves to serve his wife and be freed no later than her death; they ultimately became free one year after his own death. Slavery was then a longstanding institution dating back over a century in Virginia where he lived; it was also longstanding in other American colonies and in world history. 423 n31 Morgan 2000, p. 126–128 Morgan 2000, pp. 311 n22 Morgan 2005, p. 213 n5 Twohig 2001, pp. 298 Hirschfeld 1997, p. 125–126 Twohig 2001, pp 569875228c
