Kill Bill was inspired by 1970s exploitation films and martial arts films. It features an anime sequence by Production I.G and a black-and-white sequence. Volume 1 is the first of two Kill Bill films made in a single production; Volume 2 was released six months later. They were originally set for a single release, but the film, with a runtime of over four hours, was divided in two. This meant Tarantino did not have to cut scenes. a6c7fd367c "This Is the Way" a6c7fd367c == Track listing == a6c7fd367c "Red River Valley" a6c7fd367c In 1874, the U.S. government created the United States Reports, and retroactively numbered older privately published case reports as part of the new series. As a result, cases appearing in volumes 1–90 of U.S. Reports have dual citation forms; one for the volume number of U.S. Reports, and one for the volume number of the reports named for the relevant reporter of decisions (these are called "nominative reports"). a6c7fd367c After the album was certified 2× platinum by the RIAA, Capitol made the decision to create sequels to the collection, so the original release was updated accordingly and reissued. The updated version was issued on September 21, 1999, the same day that its sequel, The Greatest Hits – Volume 2: 20 More Good Vibrations, appeared. On the 1999 reissue, the track listing is in chronological order, and the album versions of "Be True to Your School" and "Help Me, Rhonda" are replaced by the original single versions. a6c7fd367c "I Went to School One Morning" a6c7fd367c == Track listing == a6c7fd367c "Mary Had A Little Lamb" a6c7fd367c All songs written by the Ramones except where indicated. a6c7fd367c Volumes may be published directly, or they may be created out of multiple bound issues. For instance, a library that subscribes to a periodical and wishes to preserve it typically takes a set of the issues and has them bound into a volume. A publisher may also separately publish a volume out of previously published issues; this is common with graphic novels. A volume may also be composed of entries, as in an encyclopedia, or chapters, as in a monograph. a6c7fd367c The label's musical acts function more as avatars than as themselves. The songs carry themes of escaping physical life, with an artificial quality that intensifies feelings of longing. PC Music often uses the motif of eternity, and several of the songs use together/forever rhymes. The album's digital take on dance-pop music favours retrofuturistic Eurodance and high-pitched, cutesy female vocals. Its often minimalist production produces frenetic, distorted mixes. a6c7fd367c The compilation was met with polarising, yet mostly positive reviews from critics upon its release. Some reviewers praised its innovative sound while others found the overall concept of the label to be wearing thin and the music to be shallow. a6c7fd367c
