List of children's books featuring deaf characters Retrieved 2020-01-18. There have been several studies into how Deaf children are portrayed in children's literature. 5 July 2015. Retrieved 2019-09-05. "Review: Five Flavors Approximately 466 million people or five percent of the world's population has disabling hearing loss (term defined and used by the World Health Organisation); 34 million of these are children. 2 December 2016. "Review: Wonderstruck by Brian Selznick". Historically children's books have generally conformed to an outdated cultural view of Deaf people, which resulted in books which portray those characters who happen to be Deaf as in need of saving or to be pitied. Despite approximately one third of people over 65 years

of age being affected by disabling hearing loss Deaf adult characters are significantly underrepresented in children's books; even within books which do include a Deaf character. In more recent times society has improved attitudes towards deaf. shelfishly-addicted 2c6232fab4
