Almost two years after the armistice, the rulers of the Northern Kingdoms meet in secret to discuss the political situation. Peace... ebc208df2d Set in mythical ancient Greece, the series revolves around Heron, the demigod son of Zeus, trying to save Olympus and Earth. Though Heron himself is an original character created exclusively for the series, the existence of such demigods born of the union between a god and a human is implied to be common in the original myths. The series claims in its prologue to be one of the tales "lost to history" rather than part of the current canon of Greek myths. It features gods, giants, demons, automata, titans, and mythical mounts from the original tales. ebc208df2d == Premise == ebc208df2d == Publication history == ebc208df2d

Dark Reign (comics) I think you'll see a pulling back at the end of Dark Reign, but you'll understand at the end of it what we were trying to get to. Joe Quesada, then-editor-in-chief of Marvel Comics, stated that "Dark Reign is not really an event, it's what's happening in the Marvel Universe. The title refers to Osborn's rise to national power and the ramifications thereof. It deals with the aftermath of the "Secret Invasion" storyline, which resulted in a shift of power in the Marvel Universe toward Norman Osborn. == Novels == ebc208df2d Upon its release, Vampire: The Masquerade was a commercial and critical success, becoming one of the most influential tabletop RPGs of all time. It distinguished itself from many contemporary RPGs through its emphasis on narrative, drama, character development, and "personal horror," encouraging players to explore the moral and psychological consequences of immortality. Its modern Gothic-Punk setting, emphasis on political intrigue and social interaction, and the Storyteller System shifted attention away from tactical combat and heroic adventure found in many RPGs of the era, towards collaborative storytelling. The game's success led to the creation of the World of Darkness franchise, which expanded the setting with other similar games centered... ebc208df2d The Darkness came to prominence with the release of their debut album, Permission to Land, in 2003. "Woman", and "Love Is Only a Feeling", the album was certified quadruple platinum in the United Kingdom, with sales of over 1.3 million. In 2004 the band won three Brit Awards: Best British Group, Best British Rock Act, and Best British Album. After extensive touring in support of their debut album, Poullain left the band in 2005, and was replaced by former guitar technician Richie Edwards. The band's second studio album, *One Way Ticket to Hell... and Back*, was released in November 2005. The following year, Justin Hawkins departed from the band after successfully completing a course of rehabilitation from alcohol and cocaine abuse. This, combined with the poor sales of the album, resulted in Atlantic dropping the band in October 2006. After the split, the remaining members...
