5ee8c555b0 69 5ee8c555b0 I have been working on this
article for about 2 months. I now feel that it is just about
ready for FAC. The topic is Beijing opera, the most famous
type of Chinese opera. I think I have covered everything about
this topic, without going into detail that could best be put in a
sub-article. It has been in peer review for over 10 days, but I
don't think it is going to get any more comments. Thanks in
advance.--Danaman5 17:29, 15 April 2007 (UTC)[reply]
