that there is still some copyediting to be done; there is some overuse of passive voice, a few instances of odd phrasing, etc. One minor referencing problem; the... 228f818473 Contests 228f818473 Main page 228f818473 → Contest entries 228f818473 → ACM eligibility tracking 228f818473 → Current statistics 228f818473 I've been working on this article for several months, motivated by a previous fac. I think I've improved this article since November; I've addressed comments from the peer review and got this to be an good article. This is a biography containing details about his life, his writing methodology, his journals, and his critics and supporters. His philosophy and theology have been extracted to other articles and a summary has been left behind for those aspects of his work. I've also cited references throughout the article.
