In 1992, after a global war has rendered Earth's atmosphere highly radioactive, most animal species are now endangered or extinct. As a result, owning real animals has become a fashionable and expensive status symbol, while poor people can only afford realistic electric imitations of animals. Also, due to the radiation, people are encouraged to move to off-world colonies with the incentive of free androids: biologically engineered... b93a7a577c Spielberg... b93a7a577c Blade Runner initially underperformed in North American theaters and polarized critics; some praised its thematic complexity and visuals, while others critiqued its slow pacing and lack of action. The film's soundtrack, composed by Vangelis, was nominated in 1982 for a BAFTA and a Golden Globe as best original score. Blade Runner later became a cult film, and has since come to be regarded as one of the greatest science fiction films. Hailed for its production design depicting a high-tech but decaying future, the film is often regarded as both a leading example... b93a7a577c
