Dervish In folklore and with adherents of Sufism, dervishes are often credited with the ability to perform. In most Sufi orders, a dervish is known to practice dhikr through physical exertions or religious practices to attain the ecstatic trance to reach God. breath they take. Dervishes try to approach God by virtues and individual experience, rather than by religious scholarship. Their focus is on the universal values of love and service, deserting the illusions of ego (nafs) to reach God. The latter usage is found particularly in Persian and Turkish (derviş) as well as in Tamazight (Aderwic), corresponding to the Arabic term faqīr. Their most popular practice is Sama, which is associated with the 13th-century mystic Rumi. Many dervishes are mendicant ascetics A dervish, darvesh, or darwīsh (from Persian: درویش, romanized: Darvīsh) in Islam is a member of a Sufi fraternity (tariqah), or more broadly a religious mendicant, who chose or accepted material poverty a97866ff83

While legend says that Amir Khusro was the author, the tales were written long after his death. Legend has it that Amir Khusro's master and Sufi saint Nizamuddin Auliya had fallen ill. To cheer him up, Amir Khusro started telling him a series of stories in the style of the One Thousand and One Nights. a97866ff83 The Dalyare fort and the Taleh complex built between 1909 and 1910 are among the least disfigured Dervish era structures that remain in Sool province, whom altogether comprise 27 Dervish era structures.
