Among the supplements of which Offit is critical in the book is the use of Vitamin C to treat the common cold, which also leads him to criticize Linus Pauling for promoting vitamin C for this purpose. In the book, Offit also attributes much of alternative medicine's effectiveness to the placebo effect, which is the subject of one of the book's chapters. He also notes that alternative medical treatments can have serious side effects, such as paralysis resulting from chiropractic and viral infections caused by acupuncture. Among the individual doctors Offit criticizes in the book are Joseph Mercola and Rashid Buttar, as well as Andrew Weil and Deepak Chopra... 9981ea976e

== Background and recording == 9981ea976e James' central argument in "The Will to Believe" hinges on the idea that access to the evidence for whether certain beliefs are true depends crucially upon first adopting those beliefs without evidence. As an example, James argues that it can be rational to have unsupported faith in one's own ability to accomplish tasks that require confidence. Importantly, James points out that this is the case even for pursuing scientific inquiry. James then argues that like belief in one's own ability to accomplish a difficult task, religious faith can... 9981ea976e

Several states require that the couple must live apart for several months before being granted a divorce. However, living apart is not accepted as grounds for a divorce in many states. 9981ea976e In the United States married couples are allowed to end a marriage by filing for a divorce on the grounds of either fault or no fault. In the past, most states only granted divorces on fault grounds, but today all states have adopted the no fault divorce. Fault and no-fault divorces each require that specific grounds be met. A no fault divorce can be granted on grounds such as irretrievable breakdown of the marriage, irreconcilable differences, incompatibility, or after a period of separation, depending on the state. Neither party is held responsible for the failure of the marriage. On the other hand, in fault divorces one party is asking for a divorce because they claim the other party did something wrong that... 9981ea976e That summer, vocalist David Draiman's grandfather, an Orthodox Jew, died in Israel.
