Cowboy animal herder who tends cattle on ranches in North America, traditionally on horseback, and often perform many other ranch-related tasks. The historic American cowboy of the late 19th century arose from the vaquero traditions of northern Mexico, which trace their roots back to Spanish settlers from Andalusia and became a figure of special significance and legend. Cowgirls, first defined as such in the late 19th century, had a less-well documented historical role, but in the modern world work at identical tasks and have obtained considerable respect for their achievements. In addition to ranch work, some cowboys work for or participate in rodeos. A subtype, called a wrangler, specifically tends the horses used to work cattle.
