Culture of the United Kingdom The culture of the United Kingdom may also colloquially be referred to as British culture. Large outdoor music festivals in the summer and autumn are popular, such The culture of the United Kingdom is influenced by its combined nations' history, its interaction with the cultures of Europe, the individual diverse cultures of England, Wales, Scotland and Northern Ireland, and the impact of the British Empire. There have been varying degrees of overlap and distinctiveness between these four cultures. Although British culture is a distinct entity, the individual cultures of England, Scotland, Wales and Northern Ireland are diverse. A good article (GA) is a Wikipedia article that meets a core set of editorial standards, the good article criteria, passing through the good article nomination process successfully. They are well-written, contain factually accurate and verifiable information, are broad in coverage, neutral in point of view, stable, and illustrated, where possible, by relevant images with suitable copyright licenses. Good articles do not have to be as comprehensive as featured articles (FA), but they should not omit any major facets: a comparison of the criteria for good and featured articles describes further differences.
