Under the Terran Federation, only veterans of a primarily military Federal Service enjoy full citizenship, including the right to vote. The first-person narrative follows Juan "Johnny" Rico, a young man of Filipino descent, through his military service in the Mobile Infantry. He progresses from recruit to officer against the backdrop of an interstellar war between humans and an alien species known as "Arachnids" or "Bugs". Interspersed with the primary plot are classroom scenes in which Rico and others discuss philosophical and moral issues, including aspects of suffrage, civic virtue, juvenile delinquency, and war; these discussions have been described as expounding Heinlein's own political views. == Concept == ab725b942d Spaceships are often one of the key plot devices in science fiction. Numerous short stories and novels are built up around various ideas for spacecraft, and spacecraft have featured in many films and television series. Some hard science fiction books focus on the technical details of the craft. Some fictional spaceships have been referenced in the real world, notably Starship Enterprise from Star Trek which gave its name to Space Shuttle Enterprise and to the VSS Enterprise. ab725b942d

Development of Starship Troopers began in 1991 as Bug Hunt at Outpost 7, written by Neumeier. After recognizing similarities between Neumeier's script and Heinlein's book, producer Jon Davison suggested aligning the script more closely with the novel to garner greater interest from studio executives. Despite these efforts, development was slow, with studios hesitant to fund the costly project right up to the start of filming. Principal photography took place between April and October 1996 on a \$100–110 million budget, of which nearly half was spent on the extensive computer-generated imagery (CGI) and practical effects required to vivify... ab725b942d John J. Ordovery said in Voyages of Imagination (2009), "One of the major problems with the novels at the time [the mid-nineties] ... was you couldn't put any inherent continuity into them and you couldn't make any significant changes, so characters couldn't die, they couldn't change, they couldn't leave. The core characters always had to remain the same. After a few years, that gets frustrating for an editor." Ordovery devised New Frontier to accomplish what he couldn't with the other Star Trek book lines—to create a serialized, internally consistent, series of novels set in the Star Trek universe. According to Peter David, "Paramount... ab725b942d Other cast members from Next Generation and other Trek TV series include Riker's wife, Counselor Deanna Troi, who served with Riker aboard the USS Enterprise under the command of Jean-Luc Picard; and Alyssa Ogawa who was a ship's nurse on the Enterprise; and Commander Tuvok, who was a cast member on Star Trek: Voyager. ab725b942d In 2001, Pocket Books estimated that there were 85 million copies in print.
