World Fantasy Award—Artist The World Fantasy Award—Artist is given each year to artists of works related to fantasy released in the preceding calendar year. Convention for the best fantasy fiction and art published during the preceding calendar year. The Artist category has been awarded annually since 1975. The awards have been described by sources such as The Guardian as a "prestigious fantasy prize", and one of the three most renowned speculative fiction awards, along with the Hugo and Nebula Awards (which cover both fantasy and science fiction). Fantasy artists are also eligible for the Special Award—Professional category. The awards have been described by sources such as The Guardian as The World Fantasy Awards are given each year by the World Fantasy Convention for the best fantasy fiction and art published during the preceding calendar year 17381f61e8

Growing up in the Heartland of the United States, Schick was raised by her single mother, who as an art instructor nurtured her creative talent. After attending the University of Wisconsin–Madison, she completed a master's degree in fine art at Indiana University Bloomington. She then moved to Kansas, shortly thereafter beginning a lifetime association with Pittsburg State University, where she taught as an art professor. 17381f61e8
