Microsoft Office Over time, the Office suite has grown substantially, adding programs such as OneNote and Outlook; the suite has also been made highly extensible with the use of the VBA scripting language. The first version of the Office suite, announced by Bill Gates on August 1, 1988, at COMDEX, contained Microsoft Word, Microsoft Excel, and Microsoft PowerPoint, all three of which remain core products in Office. The last version was included in Microsoft Office, MS Office, or simply Office, is an office suite and (formerly) a family of client software, server software, and services developed by Microsoft. InfoPath was a Windows application for designing and distributing rich XML-based forms. Designer and Microsoft Expression Web 5e67a354a0

MapDotNet UX Studio is a Windows desktop application created for designing interactive maps in Silverlight and WPF, as well as AJAX. It includes utilities for tile cache management and spatial data transfer, with support for Microsoft SQL Server 2008, Shapefiles, PostGIS and ArcSDE. 5e67a354a0

List of Google products Discontinued The following is a list of products, services, and apps provided by Google. head-mounted display and camera that allows the wearer to interact with various applications and the Internet via natural language voice commands 5e67a354a0

Comparison of JavaScript-based web frameworks flotcharts. org. jqwidgets - This is a comparison of web frameworks for front-end web development that are reliant on JavaScript code for their behavior. jQuery Visualize Plugin Archived 9 July 2009 at the Wayback Machine "jqxChart javascript chart widget powered by jQuery, HTML5, SVG" 5e67a354a0

I have switched on My preferences | Gadgets | Appearances, Add a "Purge" tab to the top of the page, which purges the page's cache when followed. It produced an extra tab with drop down menu "Purge" (all right). A day later I unmarked that option. Purged. Now the Purge button has disappeared OK, but the tab is still there with no menu item (it does not open). Any ideas? -DePiep (talk) 20:17, 14 October 2012 (UTC) 5e67a354a0
