comprehensive list of words in English is important as a reference when learning
a language as it will show the equivalent words you need to learn in the other
language to achieve fluency. You can use the list to generate your own lists in
whatever language you're learning and to test yourself. A big list will constantly
show you what words you don't know and what you need to work on and is useful
for testing yourself. Eventually these words will all be translated into big lists in
many different languages and using the words in phrase contexts as a resource
