Futures studies Predictive techniques, such as forecasting, can be applied, but contemporary futures studies scholars emphasize the importance of systematically exploring alternatives. Futures studies, futures research or futurology is the systematic, interdisciplinary and holistic study of social and technological advancement, and other Futures studies, futures research or futurology is the systematic, interdisciplinary and holistic study of social and technological advancement, and other environmental trends, often for the purpose of exploring how people will live and work in the future. In general, it can be considered as a branch of the social sciences and an extension to the field of history. Futures studies (colloquially called "futures" by many of the field's practitioners) seeks to understand what is likely to continue and what could plausibly change. Part of the discipline thus seeks a systematic and pattern-based understanding of past and present, 30bd4a6125

The field of visual culture studies in the United States corresponds or parallels the Bildwissenschaft ("image studies") in Germany. Both fields are not entirely new, as they can be considered reformulations of issues of photography and film theory that had been raised from the 1920s and 1930s by authors like Béla Balázs, László Moholy-Nagy, Siegfried Kracauer and Walter Benjamin. 30bd4a6125

For example, the word *dermatology* comes from the root *dermato-* plus *-logy*. Sometimes, an excrescence, the addition of a consonant, must be added to avoid poor construction of words. 30bd4a6125 Microsoft's Bing provides a similar dictionary service that also licenses dictionary data from Oxford Languages... 30bd4a6125 Although an unseen character, her role is important: at the beginning of the play, Romeo's unrequited love for Rosaline leads him to try to catch a glimpse of her at a gathering hosted by the Capulets, during which he spots Juliet and falls in love at first sight with her, leading to all subsequent events in the story. Scholars generally compare Romeo's short-lived love of Rosaline with his later love of Juliet. Scholars believe Romeo's early experience with Rosaline prepares him for his relationship with Juliet, noting that the poetry Shakespeare writes for Rosaline is much weaker... 30bd4a6125
