Conservation and restoration of books, manuscripts, documents and ephemera The primary goal of conservation is to extend the lifespan of the object as well as maintaining its integrity by keeping all additions reversible. When applied to cultural heritage, conservation activities are generally undertaken by a conservator. conservation seeks to prevent and, in some cases, reverse damage due to handling, inherent vice, and the environment. Conservators determine proper methods The conservation and restoration of books, manuscripts, documents and ephemera is an activity dedicated to extending the life of items of historical and personal value made primarily from paper, parchment, and leather. Conservation of books and paper involves techniques of bookbinding, restoration, paper chemistry, and other

material technologies including preservation and archival techniques

Sexually transmitted infection Some STIs can cause infertility. STIs often do not initially cause symptoms, which results in a risk of transmitting them to others. The term sexually transmitted infection is generally preferred over sexually transmitted disease or venereal disease, as it includes cases with no symptomatic disease. STIs often do not initially cause symptoms, which results in a risk A sexually transmitted infection (STI), also referred to as a sexually transmitted disease (STD) and the older term venereal disease (VD), is an infection that is spread by sexual activity, especially vaginal intercourse, anal sex, oral sex, or sometimes manual sex. activity, especially vaginal intercourse, anal sex, oral sex, or sometimes manual sex. Symptoms and signs of STIs may include vaginal discharge, penile discharge, ulcers on or around

the genitals, and pelvic pain bcfc95ca16

Concerned that the sale of items such as bongos and rolling papers, along with books and magazines devoted to the era's drug culture promoted and encouraged illegal recreational drug use, the board of trustees of the village of Hoffman Estates, Illinois, passed an ordinance requiring that vendors of drug paraphernalia obtain a license to do so, as... bcfc95ca16 The Seychelles Tourism Board is a statutory body that came into existence on 1 April 2005 when the Seychelles Tourism Board Act, 2005, came into force. The Act brought together all regulatory and monitoring functions of the Department of Tourism within the Ministry of Tourism and Transport, and all promotional and marketing activities of the Seychelles Tourism Marketing Authority. The Policy Planning and International Co-operation... bcfc95ca16

Posting style Some posters may delete any parts of the original message that they are not replying to. ellipses, than manually written text. The concept applies to formats such as e-mail, Internet forums and Usenet. Some posters delete only parts In text-based internet communication, a posting style is the

manner in which earlier messages are included or quoted bcfc95ca16

Oral hygiene g. General guidelines for adults suggest brushing at least twice a day with a fluoridated toothpaste: Oral hygiene is the practice of keeping one's oral cavity clean and free of disease and other problems (e. bad breath) by regular brushing of the teeth (dental hygiene) and adopting good hygiene habits. The most common types of dental disease are tooth decay (cavities, dental caries) and gum diseases, including gingivitis, and periodontitis. It is important that oral hygiene be carried out on a regular basis to enable prevention of dental disease and bad breath. caries) and gum diseases, including gingivitis, and periodontitis bcfc95ca16

California Environmental Quality Act Thresholds of significance can be determined by reference of air quality management district CEQA guidelines, although the The California Environmental Quality Act (CEQA) is a California

statute passed in 1970 and signed in to law by then-governor Ronald Reagan, shortly after the United States federal government passed the National Environmental Policy Act (NEPA), to institute a statewide policy of environmental protection. pursuant to CEQA Guidelines 15145. CEQA does not directly regulate land uses, but instead requires state and local agencies within California to follow a protocol of analysis and public disclosure of environmental impacts of proposed projects and, in a departure from NEPA, adopt all feasible measures to mitigate those impacts. CEQA makes environmental protection a mandatory part of every California state and local (public) agency's decision making process bcfc95ca16

In Singapore, the Parliament is unicameral. For the 2025 general election, there are 97 elected seats... bcfc95ca16 There are many situations that may require first aid, and many countries have legislation, regulation, or guidance, which specifies a minimum level of first... bcfc95ca16 The main options are interleaved posting (also called inline replying, in which the different parts of the reply follow the relevant parts of the original post), bottom-posting (in which the reply follows the quote) or top-posting (in which the reply precedes

the quoted original message). For each of those options, there is also the issue of whether trimming of the original text is allowed, required, or preferred. bcf95ca16

First aid First aid is generally performed by someone with basic medical or first response training. Mental health first aid is an extension of the concept of first aid to cover mental health, while psychological first aid is used as early treatment of people who are at risk for developing PTSD.

PMID 34862155. Archived from the original (PDF) on February 3 First aid is the first and immediate assistance given to any person with a medical emergency, with care provided to preserve life, prevent the condition from worsening, or to promote recovery until medical services arrive. American Heart Association (AHA) (2015). Conflict first aid, focused on preservation and recovery of an individual's social or relationship well-being, is being piloted in Canada. "Highlights of the Guidelines for CPR and ECC" (PDF) bcf95ca16

For a long time the traditional style was to post the answer below as much of

the quoted original as was necessary to understand the reply (bottom or inline). Many years later, when email became... bcfc95ca16 In 1972, the California Supreme Court broadened CEQA by interpreting... bcfc95ca16

General elections in Singapore), which governs the conduct of elections to Parliament, taking into account recommendations of the Electoral Boundaries Review Committee. However, Parliament can also be dissolved and a general election called at the behest of the Prime Minister before the five-year period elapses. Ed. This makes the counting process three times faster than the previous practice of manually counting the ballot papers General elections in Singapore must be held within three months after five years have elapsed from the date of the first sitting of a particular Parliament of Singapore, as per the Constitution. 218, 2011 Rev. similar to those used to handle bank notes. The number of constituencies or electoral divisions is not permanently fixed by law, but is declared by the Prime Minister prior to each general election pursuant to the Parliamentary Elections Act (Cap bcfc95ca16
