After years of working on numerous films as an assistant director and screenwriter, he made his directorial debut during World War II with the popular action film Sanshiro Sugata (1943), released when he was 33. Following the war, he cemented his reputation as one of the most important young filmmakers in Japan with the critically acclaimed Drunken Angel (1948), in which he cast the then-unknown actor Toshiro Mifune in a starring role; the two men would then collaborate on 15 more films. 492c755144 == Pai Zhua == 492c755144
