The implementation of the law resumed on July 6, 2017, after the release of the revised Implementing Rules and Regulations (IRR) Terrazola The Anti-Distracted Driving Act (ADDA), officially designated as Republic Act No. 10913, is a Philippine law that prohibits distracted driving by restricting and penalizing the use of mobile phones and other electronics devices while driving on any public thoroughfare, highway, or street in the Philippines. The republic act defines "distracted driving" as "using mobile communications device to write, send, or read a text-based communication or to make or receive calls" or "using an electronic entertainment or computing device to play games, watch movies, surf the internet, compose messages, read e-books, perform calculations, and other similar acts" while behind the wheel of a moving vehicle or while temporarily stopped at a red light. law's implementation 9d23c6d2a1

Color television made its debut in the Philippines in November 1966, marking the initiation of the country's adherence to the American NTSC standard for analog television. However, significant changes were introduced in June 2010 when the National Telecommunications Commission (NTC) declared the adoption of ISDB-T International as the digital terrestrial television (DTT) service standard. This enhanced version of the Japanese ISDB-T aimed to enhance broadcasting capabilities. In response to this shift, a circular was issued by the NTC... 9d23c6d2a1
