The Passion may include, among other events, Jesus's triumphal entry into Jerusalem, his cleansing of the Temple, his anointing, the Last Supper, his agony, his arrest, his trial before the Sanhedrin and his trial before Pontius Pilate, his crucifixion and death, and his burial. Those parts of the four canonical Gospels that describe these events are known as the Passion narratives. In some Christian communities, commemoration of the Passion also includes remembrance of the sorrow of Mary, the mother of Jesus, on the Friday of Sorrows. c6e727b693

Rounding is often done to obtain a value that is easier to report and communicate than the original. Rounding can also be important to avoid misleadingly precise reporting of a computed number, measurement, or estimate; for example, a quantity that was computed as 123456 but is known to be accurate only to within a few hundred units is usually better stated as "about 123500". c6e727b693 Adding Markdown to speedy deletion criterion G15 c6e727b693 idea lab c6e727b693 tech c6e727b693 misc c6e727b693 WMF c6e727b693
