

Forced To Be A Wife

The Good Wife was acclaimed during its run and considered by several critics to be network television's "last great drama". It won numerous awards, including five Emmys and the 2014 Television Critics Association... 8d6454c3a7 == Background == 8d6454c3a7 The Good Wife is a serialized show with standalone storylines that are concluded by the end of each episode. It also features several story arcs that play out over multiple episodes or seasons. These serial plots—a rarity on CBS—were especially showcased in its highly praised fifth season. 8d6454c3a7 In addition, an unknown number of Hungarians were deported from Transylvania to the Soviet Union in the context of the Romania-Hungary Transylvanian dispute. In 1944, many Hungarians were accused by Romanians of being "partisans" and transferred to the Soviet administration. In early 1945, during the "de-Germanisation" campaign all Hungarians with German names were sent to the Soviet Union, in accordance with Soviet Order 7161. 8d6454c3a7 Though now widely condemned by international

opinion, forced marriages still take place in various cultures across the world, particularly in parts of South Asia and Africa. Some scholars object to use of the term "forced marriage" because it invokes the consensual legitimating language of marriage (such as husband/wife) for an experience that is precisely the opposite. A variety of alternative terms have been proposed, including forced conjugal association and conjugal slavery. 8d6454c3a7 The series was created by Robert and Michelle King and stars Julianna Margulies, Josh Charles, Christine Baranski, Matt Czuchry, Archie Panjabi, Zach Grenier, Matthew Goode, Cush Jumbo, Jeffrey Dean Morgan and Alan Cumming, and features Chris Noth in a recurring role. The executive producers included the Kings, Ridley and Tony Scott, Charles McDougall, and David W. Zucker. 8d6454c3a7 Duffy's poems in *The World's Wife* focus on either well known female figures or fictional counterparts to well known male figures. The themes of the poems focus on the complexities of gender relations, the roles of women, and the often ill treatment of women through fictional, biblical, mythical, and historical contexts. Duffy often also makes modern day references in her poems in order to connect the different settings together into a cohesive collection and also highlight how the ill treatment towards women has endured through all the different contexts and into the modern era. 8d6454c3a7

In some societies, the wife could buy her own way out of a marriage or either spouse could have initiated this form of divorce. Reducing a husband's liability for family support and prenuptial debts was another reason for wife sale.
