== Created language ==
9df8a9df57 Has there ever
been a case where two
people--let's call them
Romulus and Remus--grew up
deprived from human contact
and created a language that
only they knew or at least
been apparently able to
communicate fully with each
other but not with others
around them? I don't mean
languages invented like
Esperanto but something from
more like feral children (even

if their "feral" upbringing was
