broader musical tradition, common amongst Balto-Finnic people, sung in the so-called Kalevala metre. Though folk songs of the old variety became progressively rarer in western Finland, they remained common in far eastern parts of the country, mainly Savonia and Karelia. After the publication of Kalevala, this music gained popularity again. In the west, mainstream Nordic folk music traditions prevail. The Sami people of northern Finland have their own musical traditions, known as Sami music. Finnish folk music has undergone a roots revival, and has become a part of popular music.

List of compositions by Jean Sibelius 1. listed the Theme and Variations in C-sharp minor for string quartet as his Op. The piece only partially survives, having lost five bars at the beginning The Finnish composer Jean Sibelius (1865–1957) wrote over 550 original works during his eight-decade artistic career. This began around 1875 with a short miniature for violin and cello called Water Droplets (Vattendroppar), and ended a few months before his death at age 91 with the orchestration of two earlier songs, "Kom nu hit, död" ("Come Away, Death") and "Kullervon valitus" ("Kullervo's Lament", excerpted from Movement III of Kullervo)

20 promoted In some cases, national instruments remain in wide use within the nation (such as the Puerto Rican cuatro), but in others, their importance is primarily symbolic (such as the Welsh triple harp). Danish ethnologist Lisbet Torp has concluded that some national instrument traditions, such as the Finnish kantele, are invented, pointing to the "influence of intellectuals and nationalists in the nationwide promotion of selected musical instruments as a vehicle for nationalistic ideas". Governments do not generally officially recognize national instruments; some exceptions being the Paraguayan harp, the Japanese koto and the Trinidadian steelpan.

The core of Madetoja's oeuvre consists of a set of three symphonies (1916, 1918, and 1926), arguably the finest early-twentieth century additions to the symphonic canon of any Finnish composer, Sibelius excepted. As central to Madetoja's legacy is Pohjalaisia (The Ostrobothnians, 1923), proclaimed Finland's "national opera" following its successful 1924 premiere and, even today, a stalwart of the country's repertoire. Other notable works include an Elegia...
