

Coaching For Performance Growing People And Purpose

John Whitmore

Education reform The meaning and educational methods have changed through debates over what content or experiences result in an educated individual or an educated society. "School Education reform is the goal of changing public education. Historically, the motivations for reform have not reflected the current needs of society. Archived from the original on 11 July 2012. May 2, 1997, by John Allen" . Lafortune, Julien; Rothstein, Jesse; Schanzenbach, Diane Whitmore (2018). A consistent theme of reform includes the idea that large systematic changes to educational standards will produce social returns in citizens' health, wealth, and well-being 9ecab262e9

As part of the broader social and political processes, the term education reform refers to the chronology of significant, systematic revisions made to amend the educational legislation, standards, methodology, and policy affecting a nation's public school system to reflect the needs and values of contemporary society.
