Enid Blyton's illustrators (1891-1966) was the English artist who illustrated the original editions of five entire series: "The Magic Faraway Tree" series, the "Josie Click and The children's books of Enid Blyton were illustrated by a large number of artists, ranging from figures known for other work to humbler commercial artists, who in some cases were anonymous. Since the Blyton texts mainly used very simple language, the work of the illustrators was an important part of the appeal of many of the works

The stories take place in an enchanted wood in which a gigantic magical tree grows - the eponymous 'Faraway Tree'. The tree is so tall that its topmost branches reach into the clouds and it is wide enough to contain small houses carved into its trunk. The wood and the tree are discovered by three children who move into a house nearby. They befriend many of the residents and have adventures in magical lands that visit the top of the tree. Jason Cundy, English former association football player and Radio and Television presenter "Moon-Face", a short story by Jack London
