The series stars Mike Colter as Luke Cage, a former convict with superhuman strength and unbreakable skin who now fights crime. Simone Missick, Theo Rossi, Rosario Dawson, and Alfre Woodard also star. Colter reprises his role from the series Jessica Jones, while Dawson returns as Claire Temple from previous Marvel Netflix series. Mahershala Ali and Erik LaRay Harvey also star in the first season, while Gabrielle Dennis and Mustafa Shakir joined the cast for the second season, which also featured Jessica Henwick, Finn Jones, and Stephen Rider in separate single episodes. In addition to original characters, several characters based on various Marvel properties also appear throughout the series.

Computer chess applications, whether implemented in hardware or software, use different strategies than humans to choose their moves: they use heuristic methods to build, search and evaluate trees representing sequences of moves from the current position and attempt to execute the best such sequence during play. Such trees are typically quite large, thousands to millions of nodes. The computational speed of modern computers, capable of processing tens of thousands to hundreds of thousands of nodes or more per second, along with extension and reduction heuristics that narrow the tree to mostly relevant...
