Fiction is any creative work, chiefly any narrative work, portraying individuals, events, or places that are imaginary or in ways that are imaginary. In a traditional narrow sense, fiction refers to written narratives in prose – often specifically novels, novellas, and short stories. Fictional portrayals are thus inconsistent with fact, history, or plausibility. More broadly, however, fiction encompasses imaginary narratives expressed in any medium, including not just writings but also live theatrical performances, films, television programs, radio dramas, comics, role-playing games, and video games 90d2a83314
