In addition, since she originally wanted to be a voice actor, the principal's words about being an actor before being a voice actor weighed heavily on those around him, and when the class and the school were asked who wanted to be a voice actor, Endō was the only one who raised her hand. ddb6e17356 Oberon is a variant spelling of Auberon, earlier Alberon, the origin of which is uncertain, though it may be connected with Alberich and Aubrey, or might else be derived from the Old High German elements *adal* 'noble' + *ber(n)* 'bear'. ddb6e17356
